

# APB 1210 Pool Open 5R

Our APB1210 pool pallet has a proven track record in all types of automated handling scenarios, from retail and food production to manufacturing, with minimal deflection under load.

Made from recycled plastic

## Product Description

- A very strong, long lasting plastic pool pallet, designed for heavy duty, high-repeat use
- Recognised as the industry standard pallet for closed loop supply chains
- Moulded to give consistent dimensions and for smooth, quiet use in Automated Systems, where frequent handling is the norm
- Available on 3 or 5 runners with a closed or perforated top deck
- Can be equipped with RFID/IoT tags or barcode labels
