

Go Recycle!

At Goplasticpallets.com taking responsibility for the plastic pallets and boxes we supply is extremely important to us.

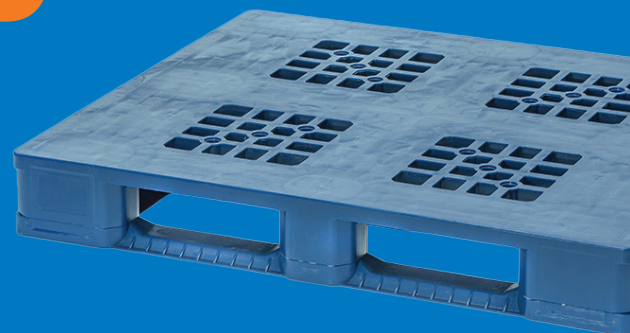

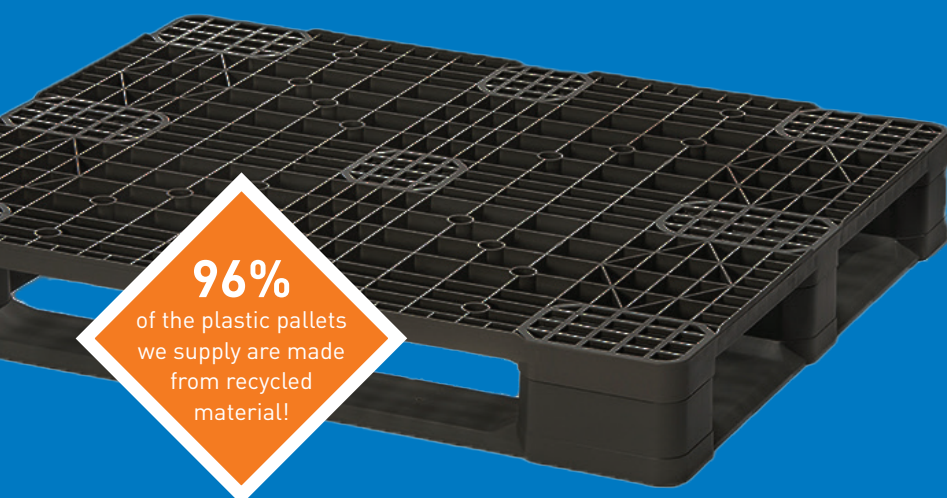

When they come to the end of their long working life, disposing of them can often be a costly hassle. But not any longer!

With our pioneering Recycling Scheme, we promise to collect back and recycle ALL plastic pallets and boxes at the end of their long service life – regardless of who supplied them.

You could say we're on a mission to clean up the nation of all used, expired plastic pallets and boxes.

But we need your help!

All you have to do to take part is contact our Recycling Team on **+44 (0)1323 744057** or complete our form here: www.goplasticpallets.com/recycling

The process is simple, but the benefits are huge.

Enhance your environmental credentials

By taking responsibility for the plastic pallets and boxes you use

Save time and money

By letting us take care of the recycling process for you

Optimise storage space

Old pallets and boxes take up valuable storage space that can be used far more effectively

Earn rewards

Used plastic pallets and boxes have an inherent value, so customers will very often get a financial return
